Codian Ltd is committed to complying with the European directive on the Restriction of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment, 2002/95/EC (the ROHS directive).

From the 1st July 2006 all Codian products supplied to the European Union comply with the ROHS directive.

Based on the information provided to Codian Ltd by its suppliers, all Codian products comply with the stipulated amount of the restricted homogenous materials stated below (the only exceptions are when particular components fall within the exemptions provided in the Annex of the 2002/95/EC directive).

Lead 0.1%
Mercury 0.1%
Hexavalent Chromium 0.1%
Polybrominated Biphenyls 0.1%
Polybrominated Diphenyl Ethers 0.1%
Cadmium 0.01%

It is the policy of Codian Ltd to continuously monitor the component supply chain to ensure that all current and future products comply with the ROHS directive. Codian also maintains an audit trail for components used within products.

Documentation supporting compliance with the ROHS directive is kept at the address above.
